ABOUT THE PROGRAM

This month's talk will be presented by long time Bird Study Group member and past president Hubert Hervey. Hubert received a grant from the Louisiana Ornithological Society to study Least Terns nesting on the Red River in during the summer of 1999. Hubert will present his results of his work during this presentation.

FEBRUARY FIELD TRIPS

Feb 5 - Red River Experiment Station. Leave LSUS parking lot at 7:30 a.m. Open country birds. Last year **Horned Larks** and **Lapland Longspurs** were seen. Half-day trip. Leader: Jim Ingold, 797-5236 W, 742-5067 H.,

Feb 5 - LOS winter meeting in New Orleans area.

Feb 12 - Cheneyville **Sandhill Crane** Trip. Leave LSUS at 7:00 a.m. Stop at Lea's in LeCompte. Sometimes we have people who join us at Lea's, so we will stop there, with other stops along the way as needed or advised. All day trip. Leader: Jim Ingold, 797-5236 W, 742-5067 H.

Feb 19 - Dickson Deer Farm Bird Banding Day. Meet at the deer farm on Leonard Rd. at 7:30 a.m. Directions: South on Ellerbe to Leonard Rd. Left on Leonard Rd to deer farm entrance on right after you are out of the hills. This area is managed for birds and Paul promises **LeConte's Sparrow** in the hand. Call Paul Dickson at 798-1000.

Feb 26 - Cypress Lake - Black Bayou Recreation Area. Leave McDonald's at I-220 and Airline Drive at 8:00 a. m. This is our second trip to this area, which features woodland and lake birds. The **Bald Eagle** nest was destroyed by a tornado, and we will look to see if the nest has been rebuilt on the artificial tower that was erected to replace the huge pine tree that was destroyed. Leader needed for this half-day trip.

IN MEMORIAM

It is with a very sad heart that I announce the passing the longtime member and friend Edmund G. Hood. Gladden passed away on Monday 10 January 2000. Gladden was the husband of beloved member Helen Hood. A memorial service was held on Sunday 16 January 2000 at Summer Grove United Methodist Church.

Gladden was a native of Hope, Arkansas and has resided in Shreveport for many years. He served with the 204th Coastal Artillery during World War II and was employed at Coldwell Wholesale Co. Gladden's family wishes that memorial donations be made to the Charity of the donor's choice.

I will always remember Gladden for his warm smile, his good natured conversation, and his firm handshake. My deepest sympathy as well as that of the members of the Bird Study Group go out to Helen, in this her time of grief.

ALABAMA COASTAL BIRDING TRAIL

A free 51-page guide to birding in coastal Alabama, "Alabama Coastal Birding Trail," is now available. It contains maps, detailed directions and bird identification pictures. You may obtain a copy by calling 1-800-745-7263 or sending an email to: info@gulfshores.com

BIRD ART EXHIBIT IN MARSHALL, TEXAS

The Michelson Museum of Art in Marshall Texas is hosting an exhibit of bird paintings by Scott and Stuart Gentling. The paintings were used to illustrate their recent book, "Of Birds and Texas." The exhibit features 22 life size paintings that were executed with a dry-brush watercolor technique. The exhibit will end on Sunday 19 March 2000. Museum hours are Tuesday through Friday from 12:00 p.m. to 5:00 p.m. and Saturday and Sunday 1:00 p.m. to 4:00 p.m. The museum is located at 216 North Bolivar in Marshall Texas and the telephone number is 903-935-9480.

3RD ANNUAL GREAT BACKYARD BIRD COUNT

The third annual Great Backyard Bird Count is being held on 18 - 21 February 2000. The Cornell Laboratory of Ornithology sponsors this event. It is easy to participate. On any of the days listed above, count all of the birds you see in your backyard or in your favorite park or birding area. You can then report your findings directly to Cornell via the Internet by going to the BirdSource Web site at: <http://birdsource.cornell.edu/gbbc>. If you do not have access to the Internet, Jim Ingold, Jeff Trahan, or Mac Hardy would be happy to send in your information.

MINUTES OF THE REGULAR MEETING
January 11, 2000, 7:00 p.m.
Museum of Life Sciences at LSUS

Jim Ingold discussed the research he did in Winn Parish. The title of his presentation was "Birds of the Piney Woods Prairies."

Hubert Hervey reviewed upcoming field trips. The Owl Prowl will be January 15. Terry Davis will lead the trip to Lake Smithport Dam on January 22. The field trip on February 5 to the Red River Agricultural Research Station needed a leader. Jim Ingold volunteered to lead the outing.

Lily Poole reported 176 active members. Ninety-six of these are paying members and 80 are gratis.

Larry Raymond said that next month's program would be given by Hubert Hervey. Hubert will talk about **Least Terns** on the Red River.

Rosemary Seidler encouraged members to volunteer to be an officer in the club. It is almost time to select officers for next year.

Bird Talk. Charlie Lyon, the Trahans, and Roger and Barbara Breedlove heard Red Crossbills at Alexander State Forest near Alexandria. Margaret Fontaine saw 500

Sandhill Cranes near LeCompte. Pat and Hubert Hervey saw two **Vermilion Flycatchers** on the BCBCBC. Rosemary Seidler saw a **Carolina Chickadee** on the Christmas Bird Count at Grand Isle and was asked to write it up.

MINUTES OF THE BOARD MEETING
January 6, 2000, 7:05 p.m.
Museum of Life Sciences at LSUS

Board members present at the regular meeting were Jim Ingold, Larry Raymond, Roy Bott, Betty Mason, Rosemary Seidler, Donna Burney, Jeff Trahan, Lily Poole, and Jean Trahan. Vera Bott was also present.

Betty Mason reported that as of December 14, the club had a balance of \$1323.61 at City Bank. Since that time we have had income of \$550.50 that was mainly proceeds from the Christmas auction. Expenses totaled \$380.94. The balance at City Bank is now \$1493.17.

Jim Ingold said that he is on a list serve for people who edit journals and newsletters. He had been assuming that since the club was a non-profit organization that we could not advertise in the newsletter and still use bulk mailing. According to reports from the list serve, this is not true. Board members suggested that we should look into what kind of advertising we can do. If we can advertise, the income could offset the cost of mailing the newsletter.

Larry Raymond reported that the program for the March meeting is still open. Olga Clifton will speak at the April meeting. The board then discussed other possible programs.

Lily Poole reported 176 active members. Ninety-six of these are paying members and 80 are gratis. Lily will send a postcard to the gratis members to ask if they want to continue receiving the newsletter. She will begin sending gratis newsletters to high schools in the area.

The board discussed meeting times. Several members cannot meet on Thursday. The next meeting will occur on a Tuesday.

BIRD NOTES - JANUARY

Compiled January 28, 2000

Report bird records for the Newsletter to Donna Burney (742-6829) or to Will Smolenski (865-2938) by the 15th of each month. Only records not printed since the last Newsletter are published.

Following each species is a line of data in the following format: date, initials of observer, number of birds observed; initials of another observer, number of birds observed, etc. For example: 01/12/99 PD 2 means that on 01/12/99 PD saw 2 birds. For the number of birds observed, a one is used both for one specimen and for numbers not reported by the observer. All bird records reported here are the responsibility of the observer. The Bird Study Group is reporting observations on the word of the observers.
